Summer Term Issue 8

Goodbye Year 6!

It's been an emotional and eventful last few days for our children in Year 6. On Tuesday afternoon we held the first ever Year 6 Awards Ceremony in which we recognised the individual talents of some of our children who have thrived this year (*above*). 11 awards were given out altogether and staff, pupils and some of the parents were able to congratulate the winners who deservedly picked up their honours. Today we held our annual Leavers' Mass in the

Church where once again, we recognised all of the contributions that our pupils have made over the years, whilst praying for them as they move towards secondary education. We also said goodbye to several of our staff who are leaving us this year; thank you and good luck to: Mrs Ridguard-Thomas (KS1 leader and RE leader), Mrs Hodgson (after school club manager), Mrs Kirkup, Mrs Fry and Mrs Gibson (1-1 teaching assistants). We

will miss you all and pray for God's blessing on you as you move to ventures new!

Football vs Marnel School—Last Thursday afternoon saw St Bede's year 6 pupils pull on the school's shirt for the last time in a sporting event. Local friendly rivals Marnel travelled down to take part in a friendly football fixture, with both boys and girls participating in separate games. The boys were unfortu-

This Sunday's Gospel

John 17:20-26

Once Jesus was in a certain place praying, and when he had finished one of his disciples said, 'Lord, teach us to pray, just as John taught his disciples.' He said to them, 'Say this when you pray: "Father, may your name be held holy, your kingdom come; give us each day our daily bread, and forgive us our sins, for we ourselves forgive each one who is in debt to us. And do not put us to the test."

Dates for your Diary

Monday 5th September—children return to school at 9am.

Meet the teacher—Monday 12th September. More details to follow when we return.

nate to walk away with the opposition sealing a 3-1 victory, whereas the girls (*above*) came away with a 3-0 victory. Both groups thoroughly enjoyed each others company for the final time before they depart for the summer onto ventures new. Well done children. *Reported by Mr Ashton*

Staying cool in the heat— The children very much enjoyed being on the end of a ‘good hosing’ on Monday and Tuesday of this week (*below*). As the temperatures climbed they

took shelter in the shade around the field and in the woods before coming to the playground for a good spray of water. It was remarkable how quickly they dried off afterwards too!

*Year 2 Trip—*Last week Year 2 set off for Paultons Park to find out more about the algorithms and codes that are used to control the rides all over the park. The children took part in a fun-filled workshop, where they created their own algorithms and codes to control their own versions of some of the popular rides. After lunch

Love one another as I have loved you

they set out to explore the park and see what the real-life rides were like! Everyone had a great time (above)! Reported by Mr Soper

Shakespeare Rocks—A huge well done to the boys and girls in Yr 5 who performed 'Shakespeare Rocks' last week (below). It was a fantastic show and all of the hard work that the children put in really paid off, as the acting singing and dancing was second to none. A huge thanks to our brilliant staff for supporting

the pupils with the show!

Nationwide Visit— Last week we were visited by staff from the Nationwide Building society who talked to the children about safe and sensible use of money. It was an interesting session for the pupils and it was particularly good for them to hear about how online scammers operate and how to avoid these.

And finally— We hope everyone has a lovely summer break and look forward to coming back in September refreshed and ready for another year!

Have a lovely summer holiday...

Mr J Carroll

Well done to the children who have won these recent awards
